

# Stetchworth XC 7.5 mile loop

Start/Finish at the Ellesmere Centre ( <http://www.ellesmerecentre.org.uk/> ) in Stetchworth.

Suggested route highlighted in blue. 7.5 miles, clockwise.

There are two variations, shown in red:

Variant 1: This adds about 0.6 miles, and has better views. However, it is a bit hilly.

Variant 2: This is shorter by about 0.5 miles, but crosses a rather muddy field.

Route can be muddy in places when ground is wet.
