

Kevin Henry League – Race 2, Ely Runners

Thursday 09th May 2019

Race start: 7.30pm

License 2019/367

Venue

Witchford Village Hall, Bedwell Hey Lane, Witchford, CB6 2JN. Runners will be guided to the start on the air field located further along the track – approximately 5 minutes walk.

There are toilets at the Village Hall – there is no kit storage available, please use cars.

IMPORTANT – we do not have access to any other part of the hall and there are activities taking place in the main hall so please do not access this area.

Parking - IMPORTANT

Parking for this event is **only** permitted on the football fields at the Village Hall. We have a good relationship with local residents and are asked not to park on any side streets.

There is sufficient parking on the field, which can be accessed just before the air field entrance however car sharing is always encouraged. Marshals will be there to direct cars onto the field.

Route

The route is the same as in previous years: anti clockwise from the start, cutting into the middle of the field where directed, followed by a right turn and anti C-W again before running back to the middle for the final LONG (feels like forever) stretch to the finish. Map is attached and marshals will be posted at all major junctions and key sections to guide you along the route.

ADDITIONS TO NOTE: We are kindly given permission to use the air field by the farmers who own the land. They are keen to stress that the air field should not be used before or after the event as many parts are private land.

Please also ensure that once finished the race, runners do not return back up the finish straight to shout runners in. In previous years this has happened and whilst we would love to accommodate this, many have done so by walking on the farming fields, damaging crops. Please ensure runners, children and animals are kept away from the non-concrete areas.

Thank you and we look forward to seeing you on the 09th May!
