

NJ Women's Road-MT Achievements 2020 Final

Age Grade % calculated using WMA 2015 tables and based on actual age in years on the day of the race. Your PB time this year, better described as Year Best (YB) or Season Best (SB), over each distance, will take precedence over your best age grade for the year; e.g. if you record a slightly slower time after your birthday for a particular distance, it could earn a slightly higher age grade %, although the difference would be small. The faster time will remain as your best performance for that year, along with its age grade %. If you equal or beat your YB time, the new best age grade % will be calculated. This is to avoid the need to maintain two separate databases of YB time and age grade % and keep the table as a simple way to check your best times over all distances during the year. Calculator downloaded from: <http://www.howardgrubb.co.uk/athletics/wmalookup15.html> and freely available online. All queries to: chris.aylmer@newmarketjoggers.co.uk
